PUBLIC NOTICE **VETTING OF DRIVING SCHOOLS**

An interagency taskforce comprising of the National Transport and Safety Authority, Ministry of Interior and Coordination of National Government, Ministry of Transport, Infrastructure, Housing and Urban Development and Traffic Police is scheduled to vet all driving schools operating within the country. The objective of this exercise is to address the current high rate of road traffic crashes attributed to incompetency of drivers. The exercise is further intended to weed out driving schools operating without meeting the set requirements.

All operators of Driving Schools are therefore required to download the Vetting Form from the NTSA website (www.ntsago.ke) and submit the dully completed form to the nearest NTSA offices within fourteen days (14) from the date of this Notice. All Driving School branches are separate entities and must therefore complete the Form in their individual capacities. Driving Schools will be held responsible for any misinformation provided.
